5. Your floating mark will be: *

☒ Development

☐ Report

☐ Combination

6. Details of the floating element (Be particularly clear when this is attached to a Combination):

Extensibility, flexibility, and adaptability of the designs. How can the user tailor the system to their testing strategy. Examples of bespoke configuration files that capture the design decisions will provide evidence of this flexibility. (E.g only EP, or BV, or PW, or combinations). The marks go with the flexibility and the software design that makes this possible.
